Supreme Visors Ltd.

EC Directive 89/686/EEC

EC Type-examination
Issue 1.

PPE Product

Supreme Visors "Scorpion" Shot Blasting Helmet complete with cape, belt mounted regulator, breathing hose & visor system, model P1220-B. The regulator must be connected to a compatible air supply hose providing medium pressure breathable air.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standard, EN 14594:2005 for Class 4B abrasive blasting operations.

The manufacturer's information notice (Scorpion P1220-B) in English has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference "Scorpion", issue 1
SGS Reference Number GB/PP 213427
